- ◆ Colostrum **4.5 g**
- ◆ Aloe **3 g**
- ◆ Mimosa tenuiflora **15 mg**

**INDICATION:** Useful in case of sensitive, dry, irritated and reddened skin of the babies. It does not contain zinc oxide, additives and allergens.

**HOW TO USE:** Apply directly on the affected area, once a day or more when needed.

**PACKAGING:** Aluminum tube of 30 ml, inserted in a fold box with leaflet.

### COLOSTRUM:

*It is a rich source of bioactive components, such as immunoglobulins, growth factors, telomerase and vitamins, each of them essential for the development of the immune system, to neutralize tissues damages and to increase its thickness. It has also antioxidant properties useful to protect the DNA structure from oxidative damage.*

### ALOE:

*It is a therapeutic herb that contains 75 potentially active constituents which give Aloe the capacity to fasten wound healing, to protect the skin against UV damage, anti-inflammatory, antioxidative and moisturizing properties.*

### MIMOSA TENUIFLORA:

*thanks to its high content in alkaloids and tannins, it has important healing and cicatrizing properties, due to its capacity to stimulate cell regeneration.*
