## THE ESSENTIAL ANTI-OXIDANT FOR MEN AND WOMEN

2 LANGUAGES  
PACKAGING  
(Italian/English)  
AVAILABLE

**PRODUCT CLASSIFICATION:**  
Food Supplement.

**ACTIVE INGREDIENTS:**

- ◆ Selenium 75 µg
- ◆ Zinc 12.5 mg
- ◆ Beta-carotene 5 mg
- ◆ Vitamin C 60 mg
- ◆ Vitamin E 30 mg

**INDICATIONS:**

- To strengthen the body Immune System in presence of chronic degenerative symptoms due to an altered oxidative state of cells.
- To counteract the hypothyroidism as low blood level of selenium causes an increase of damages in the thyroid tissues.
- To decrease the toxicity of the chemotherapy drugs thanks to its capability to remove and metabolize heavy metals.
- To slow down the progression of prostate, breast and skin cancer.
- To decrease the occurrence of spontaneous abortions in the first 4 months of pregnancy.

**HOW TO USE:** 1 tablet a day with a glass of water between meals.

**PACKAGING:** 45 tablets in sealed plastic bottle inserted in a fold box with leaflet.

### **SELENIUM:**

*It is a powerful and natural antioxidant substance able to protect the cellular membranes from the attack of the free radicals.*

### **ZINC:**

*It has a very strong capability to improve the natural immune defences of the body. Besides, it promotes the sperm motility, essential for men fertility.*

### **BETA-CAROTENE and VITAMINS C-E:**

*They play a synergic action to increase bioavailability and anti-oxidant action of selenium and zinc.*
