- ◆ Vitamin C **1000 mg**
- ◆ Zinc **10 mg**

INDICATIONS:

Useful to guarantee the normal function of the immune system and to contrast cold and flu symptoms.

HOW TO USE:

Dissolve one stick pack per day in a glass of water and mix gently.

PACKAGING: 20 stick packs inserted in a fold box with leaflet.

VITAMIN C:

This vitamin is well known for its anti-oxidant and anti-inflammatory activity. Thanks to its ability to contribute to the normal function of the immune system, the extra supplementation of Vitamin C is recommended in all cases of decreased immune defenses.

ZINC:

It has a very strong capability to improve the natural immune defenses of the body and it useful to protect cells from oxidative damage. It is the most important natural defense against cold and flu.
